On this Page: Armenian Church Middle Eastern Roman Akan Architecture Symbols Akan architecture is not only elaborate in terms of function and building technology. It also presents, as a reflection of the people and their spirit of independence, a variety of forms and design principles that encode expressive messages which continue to astonish foreign observers.

Symbols in Architecture - the-symbols.net

SPARC (Scalable Processor Architecture) is a reduced instruction set computing (RISC) instruction set architecture (ISA) originally developed by Sun Microsystems. Its design was strongly influenced by the experimental Berkeley RISC system developed in the early 1980s. First released in 1987, SPARC was one of the most successful early commercial RISC systems, and its success led to the ...
