Beevor has set a new benchmarkâ€• David Cesarini in the Jewish Chronicle â€œThe Second World War by Antony Beevor is the best single-volume history I have read of what the author rightly terms the greatest man-made disaster in history. Beevor has written an engrossing account of the war from the standpoint of the common civilian and serviceman as well as the military strategist and statesman.

review 1: If you think that the results of the second world war are sedentary, read this well-documented book. My one complaint is as an American, I am not fluent in the French or German languages. Mister Beevor makes liberal use of quotations in these languages without providing an inkling of a clue as to the meaning.
