Korea Educational Broadcasting System (Korea Broadcasting System) or EBS is a South Korean educational television and radio network covering South Korean territory, and the only major South Korean radio and television network without a separate regional service. Established as KBS 3, Seoul Animation Center and KBS Educational Radio in the 1980s, and became an independent corporation in 1990.

Educational Broadcasting System - Wikipedia

This one was a brilliant goal by Mark Williams that caused a draw.

Football Assignment | Passy's World of Mathematics

The area of study known as the history of mathematics is primarily an investigation into the origin of discoveries in mathematics and, to a lesser extent, an investigation into the mathematical methods and notation of the past. Before the modern age and the worldwide spread of knowledge, written examples of new mathematical developments have come to light only in a few locales.
