Introduction The mission of epistemology, the theory of knowledge, is to clarify what the conception of  
knowledge involves, how it is applied, and to explain why it has the features it does. And the idea of  
knowledge at issue here must, in the first instance at least, be construed in its modest sense to include also  
belief, conjecture, and the like.

Introduction. This course is an introduction to â€™epistemology,â€™ or the study of knowledge. Why study  
knowledge? One reason is that itâ€™s often crucially important to be able to tell the difference between  
â€™knowingâ€™ and other states of judgement like opinions, beliefs, and hunches.
