Renaissance humanism had a reform thrust... It put a new emphasis on man and his dignity. It believed that the revival of classical letters, the litterae humaniores, and an education based thereon would produce a better and more enlightened person. Moral as well as intellectual reform was a goal; religious and social reform would inevitably follow.

Christ-von Wedel successfully traces Neoplatonic influences in Erasmus's early writings, but is less persuasive in drawing a parallel between Erasmus and the Catalan philosopher Raimundus Sabundus. She concludes the chapter with a careful, though traditional, analysis of the psychological, satirical, and theological aspects of the Praise of Folly.
