Fornication is generally consensual sexual intercourse between two people not married to each other. When one of the partners to consensual sexual intercourse is a married person, it may be described as adultery.. For many people, the term carries an overtone of moral or religious disapproval, but the significance of sexual acts to which the term is applied varies between religions, societies ...

Promiscuity is the practice of having sex frequently with different partners or being indiscriminate in the choice of sexual partners. The term can carry a moral judgment if the social ideal for sexual activity is monogamous relationships. A common example of behavior viewed as promiscuous by many cultures is the one-night stand, and its frequency is used by researchers as a marker for ...
