

essay on western civilization pdf

Western culture, sometimes equated with Western civilization, Occidental culture, the Western world, Western society, and European civilization, is a term used very broadly to refer to a heritage of social norms, ethical values, traditional customs, belief systems, political systems and specific artifacts and technologies that have some origin or association with Europe.

Western culture - Wikipedia

"Civilization" can also refer to the culture of a complex society, not just the society itself. Every society, civilization or not, has a specific set of ideas and customs, and a certain set of manufactures and arts that make it unique.

Is Western Civilization in Decline? I think nearly everyone in the manosphere would agree that it is. There is a lot of discussion these days about America and the other nations comprising Western Civilization being in decline, and there is certainly a lot of evidence to support this claim.

How A German Historian Predicted The Decline Of Western

In the last five years or so, a number of distinguished scholars, such as the famous Scottish Harvard historian Niall Ferguson and the less well-known Canadian sociologist Ricardo Duchesne, have refuted much of leftist academic discourse regarding Western civilization's historical and present world dominance.
