His concept of the Real, however, provides perhaps the most useful backdrop to this new interpretation of Kantian ethics. Constantly juxtaposing her readings of the two philosophers, Alenka Zupancic summons up and 'ethics of the Real', and clears the ground for a radical restoration of the disruptive element in ethics.

conscious of doing so. Too often we assume that ethics is about obeying the rules that begin with "You must not. . . ." If that were all there is to living ethically, then as long as we were not violating one of those rules, whatever we were doing would be ethical. That view of ethics, however, is incomplete.
