

european community competition law pdf

One of the paramount aims of the founding fathers of the European Community - statesmen around Jean Monnet and Robert Schuman - was the establishment of a Single Market. To achieve this, a compatible, transparent and fairly standardised regulatory framework for Competition Law had to be created.

European Union competition law - Wikipedia

European Union law is the system of laws operating within the member states of the European Union. The EU has political institutions and social and economic policies. According to its Court of Justice, the EU represents "a new legal order of international law". The EU's legal foundations are the Treaty on European Union and the Treaty on the Functioning of the European Union, unanimously agreed ...
