Spiritualism is a religious movement based on the belief that the spirits of the dead exist and have both the ability and the inclination to communicate with the living. The afterlife, or the "spirit world", is seen by spiritualists, not as a static place, but as one in which spirits continue to evolve. These two beliefs that contact with spirits is possible, and that spirits are more ...

Google Inc. is first and foremost a data company. In the past, it competed on a level playing field by manipulating publicly available data better than its competition. By doing this, it had unprecedented success. Enter Web 2.0. Hard drives, processors, bandwidth and even workers are now all relatively inexpensive. This has caused the barriers to entry in the search field to drastic...

Christian exclusivism primarily holds two tenets of faith. The first commonly held belief by Traditional Christians is that Jesus Christ of Nazareth is the only begotten Son of God. Secondly, it holds that only through belief in Jesus alone will one be set aside to receive everlasting life in heaven. For the Christian Exclusive, those who deny these basic tenets alternatively chose to receive ...

Introduction. The formal managerial hierarchy in modern organizations is as persistent as are calls for its replacement. The managerial hierarchy, which took hold in organizations in the late nineteenth and early twentieth centuries, has proved remarkably resistant to change. 1 Norms, mindsets, and cultural assumptions that pervade modern organizational life combine to reinforce an all but ...
