faith in a secularized pdf

Etymology and definitions. Secular and secularity derive from the Latin word saeculum which meant "of a generation, belonging to an age" or denoted a period of about one hundred years. In the ancient world, saeculum was not defined in contrast to any sacred concerns and had a freestanding usage in Latin. It was in Christian Latin of medieval times, that saeculum was used for distinguishing ...

Secularity - Wikipedia

Secularization (or secularisation) is the transformation of a society from close identification and affiliation with religious values and institutions toward nonreligious values and secular institutions. The secularization thesis refers to the belief that as societies progress, particularly through modernization and rationalization, religion loses its authority in all aspects of social life ...
