

far country battletech pdf

Far Country, the only BattleTech book written by Peter Rice, is notable for its unorthodox storyline which has only tenuous connections with the established universe. It is the only canonical source where sentient aliens play a significant role, something many fans feel should have no place in the fictional BattleTech universe.

Far Country - BattleTechWiki - Sarna.net

Far Country is a bit of a departure from the "main line" of BattleTech novels. It's okay, and worth a read, but be prepared for something not-quite-vanilla-flavoured-BattleTech. It's a decent BattleTech novel, and the addition of sentient aliens doesn't intrude too much. In the end, I liked the novel for what it was.

The most successful science fiction role-playing game of all time, Battletech is also a crossover book winner. Now the bestselling Battletech series continues as an alien land provides the warriors' ultimate challenge--and rebel and government forces are at each other's metal throats.

Battletech 13: Far Country book by Peter L Rice | 1

Shattered Fortress chronicles the twilight of BattleTech's Dark Age, as nations are thrown into turmoil and predators circle the broken remnants of the Republic of the Sphere. This volume provides a year-by-year look at pivotal turning points in Inner Sphere, offers a peek behind the curtain of Fortress Republic, and reveals the fateful decisions that will ultimately decide the future of the Inner Sphere.

BattleTech: Shattered Fortress (PDF) â€“ Catalyst Game Labs

Far Country could easily have been left out of the BattleTech series, or even renamed. While, as some reviewers have stated, it has relatively decent character development, and has an intriguing premise, it adds very little if anything to the Inner Sphere/Clan Worlds story.
