Accompanying the concerns of climate change and global warming is the media spin, propaganda, and special interests. For many years in some countries, scientists and environmental groups raising concerns about climate change faced stern opposition, and at one time, ridicule. Initially, many big businesses and countries such as the United States were openly challenging concerns of climate change.

The history of this particular 'Thompson' shipbuilding enterprise seems to be relatively simple. Simple at least compared to the history of the business commenced earlier by Robert Thompson's father (Robert Thompson 1797/1860) & yet another, I believe different 'Thompson' yard whose origins so far escape me. Published words often include references to all of the many Thompson's & separating ...
