Masculinity (also called manhood or manliness) is a set of attributes, behaviors, and roles associated with boys and men. As a social construct, it is distinct from the definition of the male biological sex. Standards of manliness or masculinity vary across different cultures and historical periods. Both males and females can exhibit masculine traits and behavior.

Abstract. The notion of paying college football players has been an ongoing debate since the early 1900s. With current television revenue resulting from NCAA football bowl games and March Madness in basketball, there is now a clamoring for compensating both football and basketball players beyond that of an athletic scholarship.
