The Revolution split some denominations, notably the Church of England, whose ministers were bound by oath to support the king, and the Quakers, who were traditionally pacifists. Religious practice suffered in certain places because of the absence of ministers and the destruction of churches, but in other areas, religion flourished.

The book titled was written in Greek, presumably as it was aimed at non-Jews, and Greek was the leading written language in Europe at that time. Exodus is the Latinised form of the title; and the Latin text has been translated many times into more-or-less modern English, but the title 'Exodus' was retained. The word is composite, meaning something like 'way out' in a neutral sense.
