Every day too many men and women across the globe struggle to feed their children a nutritious meal. In a world where we produce enough food to feed everyone, 821 million people â€” one in nine â€” still go to bed on an empty stomach each night. Even more â€” one in three â€” suffer from some form of malnutrition.

Update; September 16, 2016: We have been getting some posts documenting the harassment of citizens by local authorities in regards to collecting rain water. I've checked these out to the best of my ability, and found most of them to be somewhat accurate. On this blog I do not intend to focus on taking a political stance on the legality or morality of rain water harvesting.
