Frontier Societies: Culture and Social Institutions

Consistent with historical narratives, we find systematic evidence of the demographic and cultural distinctiveness of frontier locations. Frontier settlers were disproportionately male, prime-age, illiterate, and foreign-born. Both the sparse population and the isolation of frontier locations are drivers of these distinctive traits.

Frontier Culture: The Roots and Persistence of "Rugged

the persistence of frontier culture and its lasting political legacy across the United States. In the conceptual framework that we propose—based on the classic work of Turner as well as on insights from social psychology and economics—the significance of the frontier resulted from the combination of three factors.

Frontier Culture: Historical Roots and Persistence of

Manjeet Baruah's *Frontier Cultures: A Social History of Assamese Literature* is another addition to the subject of Northeast India's history which has experienced extensive critical performances by a range of scholars in the recent past.
