Remember: If they have fun, they will come! The FUN-damentals curriculum touches on beginner skating skills, so the program's goal differs from a competitive roller skating program. Students should strive for proficiency but not perfection. Approaching skills in this manner increases skaters' confidence and allows them to enjoy classes.

Teaching Beginners the FUN-damentals of Roller Skating

fastest, steepest, loopy roller coaster you can now try to build it! Add twists and tunnels and feel the wind in your face as you watch your car go. It's such fun you won't even realize how much you are learning along the way!

Instructions - ThinkFun

How to: Sitting on the foam roller, cross your right leg over your left knee and lean toward the right hip, putting your weight on your hands for support. Slowly roll one butt cheek over the roller.
