historical + technical briefing part i: homeworld page The debate over our past on this world reaches back through the entire documented history of civilization, a period covering over 1300 years. The harsh conditions across this world, Kharak,[A1] fueled the myths of other places and times where we

part i: historical + technical briefing - HOMEWORLDACCESS

theWord is simple enough for the novice user, yet is very powerful and allows you to do things you would not have expected to see in a free software. This manual will help you discover the features of the software and how you can better use it to enhance your Bible study. This manual is available as a PDF file, HTML Help file (.chm) and online.

Instructions for Doing The Work Do you really want to know the truth? Investigate each of your statements from the Judge-Your-Neighbor Worksheet using the four questions and the turnarounds below. Leave out any statement beginning with "but," "because," or "and". Often you will have several negative judgments about one person.
