Ancient India. The earliest known human remains in South Asia date to about 30,000 years ago. Nearly contemporaneous human rock art sites have been found in many parts of the Indian subcontinent, including at the Bhimbetka rock shelters in Madhya Pradesh. After 6500 BCE, evidence for domestication of food crops and animals, construction of permanent structures, and storage of agricultural ...

A superpower is a state with a dominant position characterised by its extensive ability to exert influence or project power on a global scale. This is done through the combined-means of economic, military, technological, and cultural strength, as well as diplomatic and soft power influence. Traditionally, superpowers are preeminent among the great powers. ...
