introduction to missiology | Download eBook PDF/EPUB

Detail - This college-level introduction to the study of missions and missiology provides an overview to the field of study, explains the interdisciplinary nature of missions studies, illustrating why it is essential for missionaries to be educated in a broad range of disciplines including anthropology and history as well as theology. Easy to ...

Download Introduction To Missiology PDF Ebook

Description : Set apart from other broad treatments of missiology by the number and expertise of its contributors, each of whom brings to the total work some fresh and important perspective, *Missiology: An Ecumenical Introduction* is a deliberately ecumenical work that treats the histories and mission work of all Christian traditions with respect and openness - including honest and intelligent critical response. In this way it allows the reader to see the full breadth of the church's mandate.
