Books by Raw Vision (Author of Outsider Art Sourcebook)

Outsider art is art by self-taught or naïve art makers. Typically, those labeled as outsider artists have little or no contact with the mainstream art world or art institutions. In many cases, their work is discovered only after their deaths. Often, outsider art illustrates extreme mental states, unconventional ideas, or elaborate fantasy worlds.

John Maizels is the founder of Raw Vision magazine which he created in London in 1989 as a forum for the work of self-taught artists, or unknown geniuses, which he felt was overlooked and under-appreciated. Initially published biannually and now quarterly, Raw Vision remains the world's only international journal of outsider art and continues to contribute dialogue to the international field.
