Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

And this, this is what we have been waiting for. Someone to save us wading through those adventures, to winnow out those which will provide us with evenings of entertainment without years of drudgery, to distill the

best vintage from the past which in our minds we always knew was there but in practice was just too hard to capture.

It's going to be Carmilla week here at the Other Side! Up next is Laura and Carmilla for the Ubiquity System. A world that one could easily find a surly vampire and a tiny gay journalist. The Ubiquity system compares well to the Unisystem game system. So if the Buffy RPG versions work well enough ...
