Current status. The government ensures the quality of care through federal standards. The government does not participate in day-to-day care or collect any information about an individual's health, which remains confidential between a person and their physician. Canada's provincially based Medicare systems are cost-effective because of their administrative simplicity.

Healthcare in Canada - Wikipedia

Medicare (French: assurance-maladie) is an unofficial designation used to refer to the publicly funded, single-payer health care system of Canada. Canada does not have a unified national health care system, instead the system consists of 13 provincial and territorial health insurance plans that provides universal health care coverage to Canadian citizens, permanent residents, and certain ...
