Nursing is the largest medical profession in the world with nearly 4 million nurses in the United States alone. As such, nurses have the potential to profoundly influence policy and politics on a global scale. In fact, it is the moral and professional obligation of nurses to be engaged in legislation that impacts their patients.

The nursing profession's potential impact on policy and

Getting Started D Develop an institution-specific SSC protocol comprising all bundle elements. Seek feedback and refine your protocol to the satisfaction of your team. Assign a "protocol owner" with the task of refining the protocol and patiently obtaining feedback
