In normal play, a puppy may play bow (lower its head and raise its hind end), present its front end or side to the owner, hold the front part of its body up, wag its tail, dart back and forth, emit high-pitched barks and growls, and spontaneously attack.

Counseling new puppy owners: Normal play vs. aggressive

Animal roleplay is a form of roleplay where at least one participant plays the part of a non-human animal. As with most forms of roleplay, its uses include play and psychodrama. Animal roleplay may also be found in BDSM contexts, where an individual may take part in a dominant/submissive relationship by being treated as an animal. The activity is often referred to as petplay.
