Guidance and discipline issues are one of the most challenging aspects of any early childhood teacher's

work. This 1-hour course will help the student become more knowledgeable about what contributes to problem behaviors in the classroom, and how to work with children most effectively to promote positive behaviors.

Guidance and Discipline - Online Child Care Courses

School discipline is the actions taken by a teacher or the school organization towards a student (or group of students) when the student's behavior disrupts the ongoing educational activity or breaks a rule created by the teacher or the school system. Discipline can guide the children's behaviour or set limits to help them learn to take care of themselves, other people and the world around them.
