

postal and delivery services pdf

The mail or post is a system for physically transporting postcards, letters, and parcels. A postal service can be private or public, though many governments place restrictions on private systems. Since the mid-19th century, national postal systems have generally been established as government monopolies, with a fee on the article prepaid. Proof of payment is often in the form of adhesive ...

Mail - Wikipedia

The United States Postal Service (USPS; also known as the Post Office, U.S. Mail, or Postal Service) is an independent agency of the United States federal government responsible for providing postal service in the United States, including its insular areas and associated states. It is one of the few government agencies explicitly authorized by the United States Constitution.

United States Postal Service - Wikipedia

Electronic versions of official Postal forms are currently available in two file types: Adobe Acrobat PDF and Form Client. Clicking on a form's PDF icon (PDF) will open the form within your browser for printing and manual filling only, whereas clicking on a form's Form Client icon (FC) will launch the form within Form Client for electronic filling and printing.
