## **private power public law pdf**

Public law is that part of law which governs relationships between individuals and the government, and those relationships between individuals which are of direct concern to society. Public law comprises constitutional law, administrative law, tax law and criminal law, as well as all procedural law. In public law, mandatory rules prevail. Laws concerning relationships between individuals belong ...

Private universities (and private colleges) are typically not operated by governments, although many receive tax breaks, public student loans, and grants. Depending on their location, private universities may be subject to government regulation. This is in contrast to public universities and national universities. Most private universities are non-profit organizations
