Rationale for the Recommendation. International co-operation between competition authorities has been at the core of the OECD agenda for many years. A first recommendation adopted in 1967 and a series of revisions had led to a 1995 OECD Recommendation on International Co-operation which has greatly contributed to shaping the current framework for international enforcement co-operation.

### **OECD Recommendation concerning International Co-operation**

In the opening years of the twenty-first century, despite the many problems associated with it, the legal category of the civilian has been the subject of considerable attention in public discourse, in the media and at the United Nations, and in justification of certain uses of armed force to protect endangered populations.
