

project management the managerial pdf

As the market-leading textbook on the subject, Project Management: The Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied. It focuses on how project management is integral to the organization as a whole.

Project Management: The Managerial Process (Mcgraw-hill

The official PMI online course to build your project management skills and prepare for the CAPM Â® exam. Validated by PMPs and CAPMs and based on the PMBOK Â® Guide.

PMI | Project Management Institute

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
