

public library administration transformed pdf

Analysing the challenges for large public libraries in the twenty-first century: A case study of the State Library of Victoria in Australia

Analysing the challenges for large public libraries in the

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
