This is a list of atheists in science and technology. Persons listed are individuals who have publicly identified themselves as atheists or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public life. A mere statement by a person that he or she does not believe in God does not suffice.

John Aubrey FRS (12 March 1626 – 7 June 1697) was an English antiquary, natural philosopher and writer. He is perhaps best known as the author of the Brief Lives, his collection of short biographical pieces. He was a pioneer archaeologist, who recorded (often for the first time) numerous megalithic and other field monuments in southern England, and who is particularly noted as the discoverer ...

Grasse introduces an important factor in understanding any chart - the highest (or most elevated) planet in the horoscope. Because of its exalted position, any planetary body located here lords over all the other planets in the chart and can exert a powerful influence over someone's entire life. And this becomes even more important if that body is near or conjunct the Midheaven, or MC ...
