A crossword is a word puzzle that usually takes the form of a square or a rectangular grid of white-and black-shaded squares. The game's goal is to fill the white squares with letters, forming words or phrases, by solving clues, which lead to the answers.In languages that are written left-to-right, the answer words and phrases are placed in the grid from left to right and from top to bottom.

I accidentally clicked Always open files of this type on a file I had downloaded and now I can't turn it off. There seems to be no option in the settings page, and files that are automatically opened don't appear in the

download bar so there is no way to uncheck that option from there.
