Dark Moor is a Spanish neoclassical metal and symphonic power metal band from Madrid. Formed in 1993, they produced three full-length albums before undergoing a line-up change in which three members left the band to form their own project, Dreamaker. Afterwards, the band continued under the same name, recruiting suitable replacements in time for their eponymous 2003 album.

Totally essential for the approach I have (I very rarely use written music). A great place to start is by learning chords: the first building block is the Major chords - then the minor chords, then the sevenths (the Major, minor, and dominant sevenths), then the augmented, diminished, and half-diminished chords, then ninths (major & minor), sixths (major & minor), then thirteenth and ...
