However, potential seducers should note two key points. First, while Greene delivers his advice in terms of sexual seduction, if you are careful and interpretative, you may be able to apply pieces of it to general persuasion, including in business. On the downside, many of his techniques are pointedly sexy, over-the-top, amoral or manipulative.

structures and diacritical oppositions, but implies a seductive reversibility - a universe where the feminine is not what opposes the masculine, but what seduces the masculine. In seduction the feminine is neither a marked nor an un-marked term. It does not mask the "autonomy" of desire, please the body, or as speech or writing that it has supposedly lost(?).
