The gender pay gap or gender wage gap is the average difference between the remuneration for men and women who are working. Women are generally paid less than men. There are two distinct numbers regarding the pay gap: unadjusted versus adjusted pay gap. The latter takes into account differences in hours worked, occupations chosen, education and job experience.

States and school districts spend more than \$50 billion each year on teacher pensions, the keystone in teacher compensation packages. In theory, they provide a generous and secure pot of gold at the end of a teacher's career, which serves as an incentive to stay on the job. But in reality, they ...
